Assembly Instructions

- 1) Press Twist Base legs on Base Center with two Leg "T"'s pointing up and center "T" angled slightly forwards.
- 2) Insert Lower Cross piece into the two "T" connections on the Legs. Bungee Cord on Top.
- 3) Press Twist Lower Sides into Lower Cross Piece.
- 4) Press Back Brace into Center Base Piece, pulling the Bungee over it before..
- 5) Press Center Cross Piece onto Lower Legs and Back Brace.
- 6) Press Twist Upper Sides into Center Cross Piece
- 7) Add the Extensions at ends of Upper Cross Piece and Press the upper Cross Piece onto the Upper Side Pieces.
- 8) Stretch lower Bungee cord over the hook on the top of the Center Cross Piece and Stretch the upper Bungee cord down to the hook.

Thinner Backdrops can be attached to the frame with the White Plastic "C" clips at the top, sides or bottom. Heavier backdrops can be attached to the Eyes on the top Cross piece with "S" hoods, Safety pins or Cord Loops.

Back Drops should measure approximately 60" x 80"
